Prayer Requests

SINGING HIS PRAISES

1. Praise for Michelle accepting Christ. Pray for her growth in grace, to find a job, and, **MOST IMPORTANTLY**, for **DEPOSITS** to move-into a home.
2. Praise that the staff hasn't contracted any more viruses!
3. Praise for all the goods distributed in April prior to the U-Haul being parked.

REQUESTS

1. Pray for Fred to find employment or for his financial claim to come through.
2. Pray for Rita's safe delivery of her baby within a month.
3. Pray that Robbi will be able to adjust back into her life with mom, school and friends.
4. Pray that funds will become available to repair the U-Haul which is parked for safety's sake. It needs repairs to the steering and alignment. Pray for wisdom in knowing how to cope with rising fuel costs too. Costs are impacting on the ministry.
5. Pray for ministry financial support in May and throughout the summer months and for camp plans.
6. Please pray for Tom Rymer, dear friend of the ministry, in hospice care.

"Dear children, let us not love with words or tongue but with actions ..." I John 3:18
