Prayer Requests

1. Praise for Maria and Billy accepting Christ as Savior.
2. Praise for all the new doors opened through the Mother's Day outreach.
3. Praise that Danetta and her grandmother, Darnell, have an apartment.
1. Pray for Darnell's SSI claim to be approved.
2. Pray for Rita's baby to be safely delivered.
3. Pray for Robbi's adjustment back with her mom, school and friends.
4. Pray that funds will become available to repair the U-Haul which is parked for safety's sake. It needs repairs to the steering and alignment. Pray for wisdom in knowing how to cope with rising fuel costs too. Costs are impacting on the ministry.
5. Pray for ministry financial support in June and throughout the summer months and for camp plans.
6. Please pray for Tom Rymer's health and comfort. He's a dear friend of the ministry.
7. Please pray for Ila, Deanna's mom. She broke her femur bone where it slides into the shoulder socket. Ila already struggles with severe osteoporosis and Parkinson's disease. Pray for her arm to heal; for patience and wisdom for both parents in their 80's, Ila and Wade.
